Portobello Villa is almost too exquisite for words. This 5 bedroom villa has every single thing needed for an epic vacation on Barbados' West Coast, including jaw dropping ocean views. Each of the ensuite bedrooms has unobstructed sea views. Accommodating up to 9 guests comfortably, no one will miss out on enjoying that Caribbean blue.

Of course, it's not just for admiring. There are beautifully clear waters directly in front of the villa for swimming, that are easily accessed via steps from the terrace. The sea-facing terrace has sun loungers for sunbaking, reading or simply gazing at the Caribbean. And the terrace leads to a unique infinity edge pool, just for Portobello Villa guests. There's a table tennis table and outdoor exercise area for those who like to stay active on holiday. Contemporary finishes and clean lines only enhance the spaciousness of the fully air-conditioned property.

Dine under the sun or stars in the alfresco dining area. The fully equipped bar makes it easy to sip a sundowner in the alfresco lounge while watching the sunset. Play a game of chess on the breezy, shady terrace, or relax on the day bed which boasts a stunning view of Batts Rock Bay.

It may be difficult to leave your oasis but taking a stroll to the beachfront restaurant of La Cabane to dine, is also recommended. Located at Batts Rock Bay, Portobello Villa is just a short drive away from Holetown's nightlife, as well as many restaurants offering the catch of the day.
