We offer you this pretty 171m2 stone house located in the commune of Saint Martin de Landelles. This renovated house has retained its old-world charm with exposed beams. The house consists of:

- Ground floor: of an entrance hall, a dining room with a wood-burning fireplace, a fitted and equipped kitchen, a large living room, a utility room with a toilet, and a mezzanine above.

- Upstairs: there are 3 bedrooms, one with a shower room and toilet, and a bathroom with toilet.

This house has the charm of the old with all the modern comforts.

The roof has just been redone, the joinery is made of aluminium and wood, and the heating system is a gas boiler.

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ile-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
