Informação adicional:

BeachWalk Residences is a luxury gated community situated in the heart of Praia da Rocha, just a 2-minute walk from the sea. With modern architecture and bold design, this development offers 60 spacious and comfortable apartments, with 1 and 2 bedroom typologies, all with generous balconies and high quality finishes.

Residents enjoy a full range of exclusive amenities: outdoor swimming pool with salt water, SPA with sauna and Turkish bath, gym, paddle tennis court, children's playground and garden areas. Each apartment includes a closed garage with infrastructure for charging electric vehicles, as well as technological solutions such as home automation, ducted air conditioning and thermal and acoustic insulation.

With fully equipped kitchens, modern bathrooms and premium materials in every space, BeachWalk is ideal for those looking to live comfortably, invest safely or enjoy an unforgettable holiday in the Algarve.

The privileged location between the Marina of Portimão and the village of Alvor completes this perfect setting.

Each apartment has been designed to provide comfort and sophistication: Hard Maple or vinyl floors, fully equipped kitchens with Siemens appliances, bathrooms with suspended crockery and LED lighting, and technological solutions such as home automation, ducted air conditioning and heat pump water heating with Wi-Fi control.

The condominium offers a full range of exclusive amenities: outdoor pool with salt water treatment, SPA with sauna and Turkish bath, gym, paddle tennis court, children's playground, gardens and leisure areas. The closed garages include infrastructure for charging electric vehicles and a carbon monoxide detection system.

With premium finishes such as ventilated facades in Alucobond, aluminum frames with low emissivity double glazing and thermal and acoustic insulation in all rooms, BeachWalk is the ideal refuge to live, invest or enjoy unforgettable holidays in the Algarve.

Map of Finishes :
