Informação adicional:

This exclusive 39,428-square-meter (424,400 sq ft) land presents a unique opportunity for a mixed-use development with 73 homes, 80 lofts, and 64 hotel rooms. Fully urbanized with water, electricity, sewage, and telecommunications, the property ensures a seamless start to construction. Its approved Environmental Impact Statement (MIA) speeds up legal processes, reducing delays and operational costs.

Strategically positioned in a high-growth area, the land is close to luxury residential and hotel developments, with quick access to the hotel zone, archaeological sites, and pristine beaches. Its proximity to world-class dining and entertainment makes it a highly desirable location for residents and tourists alike.

A standout feature is its protected front view of a natural reserve, ensuring a serene and private environment, perfect for high-end projects. The approved density allows for maximum ROI, capitalizing on the growing demand for housing and tourism accommodations in the region.

Why invest in this area? The Riviera Maya, especially hotspots like Tulum, Playa del Carmen, and Cancun, is renowned for its high appreciation, international tourism, and luxury lifestyle. White-sand beaches, lush jungles, and high-end infrastructure attract discerning buyers and travelers, ensuring steady demand and long-term profitability.

Working with a licensed agent makes all the difference. At Playa Realtors, we provide transparency, expert legal guidance, and access to exclusive opportunities. Investing in a secure location with
