This unique property offers stunning, unobstructed sea views and is fully harmonized with the lush surroundings of the Mountain of Centaurs.

The main building is a magnificent stone house (mansion) built in 1903, covering 356 sq.m. The ground floor includes an entrance hall, a spacious foyer, a living room with a fireplace, an office with a fireplace, a large kitchen retaining elements of the original structure, a bathroom, a small storage room, and two large bedrooms, one of which has an ensuite bathroom. An internal staircase leads to the second floor, which is unfinished, allowing the new owner to complete it according to their preferences.
