Informação adicional:

This expansive 3-bedroom ground-floor apartment located in a luxury condominium represents a unique opportunity to live in a home that combines sophistication, comfort, and rare outdoor space. The residence opens onto a large private garden, offering an unparalleled lifestyle where family living, entertaining, and relaxation blend effortlessly. The garden connects seamlessly to the main living and dining areas, creating a true indoor-outdoor experience that reflects the Algarve way of life.

Inside, the design balances sophistication with warmth. The open-plan living space features the iconic cobogó partition for subtle division without sacrificing light or air circulation. Bedrooms are located in a dedicated, quiet wing, finished with elegant microcement, tinted glass wardrobes, and black contemporary accents. Bathrooms are equally refined, with integrated basins and minimalist fixtures for a sleek yet robust look.

This particular T3 unit offers two private parking spaces prepared for EV charging, as well as a spacious storage room of over 28 m² a feature especially attractive for families or those using the property as a second home. Such ample storage provides flexibility, whether for bicycles, sports gear, or long-term use.

As part of this one of a kind condominium, residents benefit from a wide range of shared amenities, including a 25-meter saltwater pool, childrens pool, outdoor fitness circuit, and a poolside function room for leisure or social gatherings. All of this is framed by 8,250 m² of landscaped grounds, filled with native vegetation for a serene, natural environment. With its combination of private garden, premium finishes, large storage, and eco-conscious design, this T3 is an exceptional choice for families seeking both comfort and investment value in Vilamoura.
