ISLAND OF KRK, PUNAT - Agricultural land

For sale is an agricultural land of 220 m² located in a quiet part of Punat on the island of Krk. The plot is located on an elevated location and offers a beautiful panoramic view of the sea and the surrounding area. A well-maintained access road leads to the land, which greatly facilitates access, cultivation and maintenance.

Several olive trees have been planted on the land, and the surrounding landscape is characterized by dry stone walls and typical Mediterranean vegetation.

The land is ideal for nature lovers, olive growing, beekeeping or as a hobby garden and a place to relax with friends in a peaceful environment with a panoramic view of the sea.

The land is currently overgrown and requires clearing. If you do not have experience in clearing/clearing the land, we can organize the clearing of the land for you with pleasure.
