Informação adicional:

This cute little cottage set on the lower part of Olvera is absolutely perfect - although it has been left for a few years it wouldn't take a lot to make it into a cosy little home again.

There is parking just below the property with a good sized car park and easy walk to the lower part of the Old town. From the street where there is ample space to sit outside on the wall - you enter into the sitting room, this has space for the cosy log burner and currently is the dining room, through to the cosy farmhouse style kitchen, with stove, sink and washing machine, with tiled worktops and the most beautiful Moroccan tiles.

Next to this is the light well and shower room.

Upstairs to the first floor has a really good size bedroom with plenty of space for storage as well as a first floor sitting room with more occasional beds for guests. This has a French doors looking out over the famous Olvera views, towards the sierras de Ronda and Grazalema.

Upstairs again and you have an ample sized roof terrace again with the gorgeous views south facing and lots of sunshine all year round.
