Informação adicional:

At the gateway to the Drôme Provençale, on a plot of approximately 30 ha stands a magnificent 17th century castle with its remarkable mansion, its former picture gallery, an orangery, its former stables, numerous gîtes and outbuildings, i.e. approximately 700 m2 of buildings. Its walled park is a real invitation to nature, its intimate (covered) swimming pool and its centuries-old plane trees will protect you from the scorching heat, this remarkable residence is an art of living in itself.

This complex has retained the charm of bourgeois residences which offers us a quiet and preserved holiday resort, without nuisance with a remarkable view of Mont Ventoux on the EAST side of the property.

This Estate can still evolve according to your family or professional projects such as events, gîtes and/or guest rooms, wine tourism, rental investment or simply a haven of peace! Ideal location due to its geographical position at the crossroads of 2 departments (Drôme and Vaucluse), 2 municipalities (SAINT RESTITUT, BOLLENE), and 5 minutes from the A7 and A9 motorway entrances, 30 minutes from the SNCF train station with a direct TGV connection to PARIS-Gare de Lyon in 3 hours.
