This charming Charentais house is set on the site of an ancient mill, offering stunning views over the picturesque park with mature fruit trees and a small brook. Add to this a large garage space and attic — ideal for workshops - as well as a barn of around 40m² with approximately 500m² of separate garden, offering exciting possibilities for renovation and further development (subject to necessary permissions). The main house features bright, south-facing rooms retaining many original features with generous living space on the ground floor and three spacious bedrooms on the first floor. All of which overlook the parkland. Situated in a small hamlet, the house is very close to the soon-to-be thermal town of St Jean d'Angély with easy access to airports, TGV stations, and the A10.
