Set at the end of a quiet no-through lane, this tastefully renovated stone farmhouse combines authentic rural character with modern comfort. Resting on a flat, mainly fenced plot of almost one hectare, it offers space, privacy, and a relaxed country lifestyle — all within easy reach of the two vibrant bastide towns of Villereal and Monflanquin, known for their markets, cafés, and year-round events. The property features four comfortable bedrooms, one with an ensuite and a large open-plan living and dining area with a dramatic full-height ceiling, creating a bright and welcoming heart to the home. French doors open onto the fully enclosed pool and pool terrace, which has access to a covered terrace, which would be perfect for summer entertaining and outdoor dining. A barn and attached carport provide excellent storage or workshop potential; the generous grounds invite you to enjoy the peaceful surroundings. Blending timeless stone architecture with thoughtful renovation, this charming farmhouse offers the best of both worlds — rural tranquillity with everyday convenience close at hand.
