A detached house of 95 sq m of living space, 5 rooms including 3 bedrooms, built on a flat, wooded plot of 6,200 sq m. It features a bright living room with an open view, a separate kitchen, three bedrooms, and a bathroom.

Adjoining outbuildings offer real potential for conversion (workshop, storage shed, etc.), adding significant value for a family or tourism project.

The large plot allows for the creation of a vegetable garden, recreational areas, and ample parking.

The setting is rural and unspoiled, yet close to amenities: local shops and a small market in Domjean (50420), and services accessible in approximately 10 minutes by car in Torgny-sur-Vire.

This property is available now and ideal for country living, a family, or a tourism project.

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ille-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
