Informação adicional:

We present this family home offering generous living spaces and numerous possibilities.

- Ground floor: you will find a welcoming living room, a stone dining room with a large fireplace, ideal for cozy evenings, and a fitted and equipped kitchen perfect for family meals. A functional hallway, currently used as a laundry room, leads to a separate WC.

- First floor: comprises a master suite with an en-suite shower room, two further bedrooms with a bathroom equipped with a whirlpool bath, and an office. A large 40 sq m room completes this level and can be converted to suit your needs: additional sleeping space, a playroom, or even the possibility of creating two more bedrooms.

The house also features a two-car garage, a spacious cellar, and an 80 sq m outbuilding with a large access door, ideal for parking a camper van.

All of this is situated on a 3,300 sq m plot offering ample outdoor space.

A major advantage is the roof, equipped with solar panels that generate an annual income of approximately 3,300 Euro.

Apologies for the For Sale overlay on the images, this particular agent is in a very competitive sector and wishes to protect their images from being copied. If you want to see clean images of this listing simply Make an Enquiry and we will respond.

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ille-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
