The Nonsuch Bay Lifestyle

Nestled within a tranquil, protected bay, Nonsuch Bay Resort is one of Antigua's most exclusive residential communities. Framed by palm-lined beaches and forty acres of lush tropical gardens, the resort evokes the timeless charm of Georgian Colonial architecture, featuring steeply pitched shingled roofs, soaring ceilings, and French doors that invite in the constant, cooling trade winds.

Residents and guests can enjoy world-class amenities including three infinity-edge swimming pools—one boasting dramatic panoramic views over the bay—and the acclaimed Breeze restaurant, which offers fine dining from its elevated terrace overlooking the water. The calm, reef-protected bay provides ideal conditions for sailing and water sports, making it a paradise for sea lovers.
