Set in a peaceful hamlet near the vibrant town of Ribérac, this lovely stone property combines original charm and character with modern day comfort. You enter the house via the hall. To your left, a very spacious open-plan kitchen/living area of nearly 50m<sup>2</sup> is the heart of the house. The lovely chimney houses a log burner for those cosy winter nights. Just off the hall, you will find a storage/laundry room ; and a downstairs bathroom with WC. To the right of the hall is a very spacious main bedroom. Upstairs, you find a second bedroom and an upstairs bathroom with WC. The covered terrace, with separate storage space, is the ideal spot to enjoy the sunny Dordogne summers. Attached to the main house are three barns ; the first offering scope to create a third bedroom or guest room (subject to necessary permissions). The other two barns (35m<sup>2</sup> and 50m<sup>2</sup>) offer even further potential to create more living space (subject to necessary permissions). The generous garden is mainly laid to lawn with some fruit trees, and has its own functional well. A gated entry leads to the house, with parking space for several vehicles. This property has double glazing and underfloor heating (ground floor only) via a recent heat pump. Hi-speed fibre internet is installed.
