Marein Natura combines luxury and nature in an exceptional environment. Three unique villas built on one floor and designed to enjoy the Mediterranean lifestyle in a relaxed way, imagine melting into the sun's rays, relaxing in the chill-out area by the pool, picking fresh vegetables from your own garden or letting you rock in a sunbed at sunset on a lazy summer afternoon.

The villas have been carefully studied, with a special architectural design where each house has been projected on one floor, and also has its own landscaping and ecological garden to enjoy the freshness of nature. The buyer of Marein Natura will be able to cook using their own ingredients and food, inspiring the aroma of the aromatic species that will characterize their home (Laurel, Thyme or Lavender) and making the most of the comfort of their home that has large terraces, garden areas, pool and chill out area with winter fire. The villas have an underground garage and a large basement that can be customized to the taste and lifestyle of each family.
