Informação adicional:

Discover this spacious country house featuring a large open-plan living area that includes a kitchen, dining room, and lounge—ideal for modern family living and entertaining. On the ground floor, you will also find a fully finished bedroom, as well as a room currently equipped with a WC that could easily be converted into a shower room or bathroom.

Upstairs, some light renovation and decorating work will complete the five additional bedrooms and the hallway, giving you the opportunity to fully customize the space to your taste. The house benefits from an excellent heating system thanks to two heat pumps installed in 2019.

Outside, enjoy a large garden with a beautiful 10 m x 5 m in-ground swimming pool with Roman steps—perfect for relaxing on sunny days. The property is located in a peaceful setting on a quiet country road.

An adjoining outbuilding offers a great renovation opportunity, with the possibility of connecting it directly to the main house to extend the living space or create an independent dwelling.
