The current owners have completely remodelled and refurbished this imposing villa, transforming it into a luxurious modern residence. The property now boasts ten newly installed solar panels and a new boiler with a heat pump, significantly improving energy efficiency. In addition, the villa is equipped with advanced smart home technology, enhancing both convenience and comfort throughout.

The villa is entered by an attractive flight of external stairs that sweep up to a glazed front door. Additionally, there is access to the property through the garage.

On entering, there is an immediate Wow factor as white marble effect tiles draw you further into this designer home. There is creative artwork everywhere. It is immediately apparent that the current owners have paid careful attention to detail.

At entry level there is a spacious double bedroom and a stylish guest shower room. An open-plan sitting room flows seamlessly into a well-equipped kitchen, fitted with high-end appliances from Miele and Bosch, offering both functionality and elegance.

Stairs lead down to a spacious garage, which includes a dedicated storage area and a wine cellar ideal for enthusiasts and collectors alike. Ascending to the first floor, there are two modern en-suite bedrooms, each thoughtfully designed with concealed wardrobes and stylish shower rooms featuring smart toilets. Both generously sized bedrooms open onto private balconies that overlook the golf course, with stunning views extending to the Monchique mountains in the distance.

An external south-facing terrace has been thoughtfully enclosed with full-height glazing to create an additional living space that blends comfort with panoramic beauty. From this sun-filled retreat, enjoy sweeping views over the surrounding rooftops, extending out to the ocean and the Bay of Lagos on the horizon.

The garden is beautifully landscaped with palms and mature olive trees, creating a wonderful environment ideal for both relaxation and play. Designed for easy living, the space includes an irrigation system and ambient outdoor lighting to enhance evening enjoyment. Scattered throughout are comfortable seating areas perfect for unwinding, while more active moments can be spent playing table tennis or using the basketball hoop, thoughtfully positioned on the edge of a charming stone-inlaid court, complete with an octopus motif.

This villa truly needs to be seen to be fully appreciated. Unique in both its design and presentation, it offers a rare blend of character, comfort, and creativity that sets it apart from anything else on the market.
