Your Dream Home is delighted to present an architecturally designed masterpiece — a luxury villa that embodies exclusivity, comfort, space, art, and breathtaking, uninterrupted views of the ocean, Lanzarote and Lobos Island.

Accessed through a smart entry system controlled by a mobile phone app, the home opens into a world of light and space. On this main level, an elegant entrance hall leads to the dining area, a guest bathroom, and two spacious double bedrooms, both with en-suite bathrooms for maximum comfort. One of the bedrooms enjoys spectacular sea views.

The stunning minimalist kitchen is fully equipped with concealed appliances and a sleek extractor fan that rises seamlessly from the countertop. It opens onto a generous lounge framed by expansive windows on two sides, offering truly unforgettable views. From here, you can admire panoramic vistas over the resort of Corralejo and beyond, with the infinity pool and gardens visible below. This level offers a versatile and highly efficient layout.

Two standout features elevate this floor even further: a private elevator connecting to the lower level, and a striking glass floor section that reveals the reading room below — a unique architectural statement.

Designed to provide total privacy while maintaining a strong connection to the island's dramatic volcanic landscape, the villa's contemporary and comfortable interiors flow effortlessly into ample outdoor living areas. Here, you can enjoy the year-round sunshine that Fuerteventura is famous for.

The lower level benefits from an independent entrance and is currently configured as a guest apartment. This floor features a lounge area, kitchen, double bedroom, bathroom, an additional bathroom, games room, storeroom, cinema room, and a reading area with a glass wall offering mesmerising underwater views into the large jacuzzi above. This level is ideal for guests, extended family, or as a high-quality rental apartment.

The exterior spaces are designed entirely for relaxation and enjoyment, featuring a private infinity pool, BBQ, jacuzzi, expansive terraces, a rooftop solarium with spectacular panoramic views, and a sunken chill-out zone surrounded by glass — all perfectly integrated into a sleek, contemporary design that can be enjoyed throughout the year.

This is more than just a villa. It is a statement of design, technology, and quality, created to make the most of its extraordinary setting.

Your private sanctuary for dreaming, relaxing, and living — your own paradise in the Canary Islands.
