Set within an exclusive new development in Vale d'Éguas, this modern townhouse combines modern architecture with generous indoor and outdoor living spaces in one of the Algarve's most convenient residential locations. Elevated above the surrounding countryside, the property enjoys far-reaching views stretching towards the coastline while remaining only a short drive from the beaches, golf courses and restaurants of Quinta do Lago and Vale do Lobo.

Designed across three levels, the home offers bright, open-plan living with large sliding doors that create a natural connection between the interior and the south-facing terraces. The living and dining area flows into a fully equipped kitchen, while outside a private swimming pool, sun terrace and cosy dining space provide an ideal setting for entertaining or relaxing throughout the year.

A feature skylight fills the centre of the home with natural light, enhancing the sense of space across each floor. The upper level offers three well-proportioned bedrooms, including a spacious principal suite with fitted wardrobes, alongside stylish contemporary bathrooms finished to a high standard.

On the lower level, a large private garage offers secure parking, extensive storage and flexibility for a

home gym, cinema room or workshop, depending on your lifestyle requirements.

Finished with underfloor heating, air conditioning and quality contemporary finishes throughout, this is a home equally suited to permanent living, a holiday property or an investment in one of the Algarve's most desirable locations.
