For Sale have this 2-Room Apartment with Balcony with View from the Top Floor. Perched on the 6th and top floor with elevator access, this charming 28 sq m (301 sq ft) one-bedroom apartment boasts two balconies totalling 8.5 sq m (915 sq ft), one overlooking the courtyard and the other the street.

Natural light and views abound. South-facing for abundant sunshine. Very well-maintained, quiet, and peaceful building. Small entrance hall, bright living room, separate kitchen, shower room with WC. A property with considerable charm, offering a truly high quality of life and significant potential.

Some energy-efficiency improvements are needed (nothing insurmountable to boost the energy rating).

A cellar completes the package.

An ideal apartment for a well-located investment.

This is clearly a "compact yet attractive gem." And it comes with a tenant already in place.

Apologies for the triangle overlay on the images, this particular agent is in a very competitive sector and wishes to protect their images from being copied. If you want to see clean images of this listing simply Make an Enquiry and we will respond.

The city of Paris is divided in 20 arrondissements. The first one is in the centre, the following ones spiral outwards in a clock-wise direction. Most of the famous tourist attractions can be found in one of the central 8 arrondissements.

The arrondissements are encircled by the peripherique, a ring highway. Outside the peripherique are the banlieues, the suburbs of Paris.
