The doors are now opening to one of Torre Vieja's most exclusive and carefully designed residential developments. #13; #13;

Lagoons Village is a premium project developed by TM, one of Spain's most established and respected real estate developers. As a selected and authorised agent for this project, we offer you access to the complete portfolio, accurate and up-to-date information, and a safe, professional buying process from first contact to completion. #13; #13;

Here, timeless architecture meets high construction quality and modern living solutions – created for those seeking a comfortable, secure and stylish home in a Mediterranean setting. #13; #13;

The gated community offers a true resort-style atmosphere with several elegant pool areas, including a heated pool, spacious sun decks and beautifully designed communal areas. For an active and enjoyable lifestyle, residents have access to SPA facilities, paddle and tennis courts, a football pitch, children's playground, co-working spaces and exclusive chill-out areas. A shuttle bus conveniently takes you to the nearby, long sandy La Mata beach – a well-thought-out added value that enhances both everyday life and lifestyle. #13; #13;

This example shows a ground floor bungalow with three bedrooms and two bathrooms. #13; #13;

Lagoons Village is more than just a residential project. It is a harmonious and vibrant community offering apartments, bungalows, townhouses and villas, where each property type contributes to the character, quality and long-term value of the area.

With its attractive location within walking distance of shopping centres, restaurants and services, and close to Torre Vieja's city centre, marina and cultural life, this is a home that perfectly combines comfort, aesthetics and investment potential.
