Informação adicional:

In one of the most coveted areas of Lagos, just 5 minutes from the city center and its amenities, a new condominium of superior quality and modern finishes will be born. Contemporary in style, the building will boast a modern design and large terraces.

Building with 4 floors (ground floor + 3 floors) and 32 unique and top quality apartments, with swimming pool and gym.

Thinking about the needs of families, the apartments promise to offer very generous areas, both indoor and outdoor, and provide maximum comfort with excellent 1st quality insulation.

All apartments have kitchens equipped with built-in appliances, open plan with the living and dining rooms. Underfloor heating available throughout the apartment. The bedrooms will all have built-in wardrobes, and access to balconies.

Air conditioning will be present in the living room and bedrooms, in the kitchen and bathrooms the ventilation will be mechanical. All the frames will be in aluminum with thermal cut and double glazing with sun protection and thermal and acoustic insulation, it will have electric blinds and blinds.

Solar system for water heating, video intercom, high security armored doors, private parking (one or two spaces per apartment, depending on the typology), among other specificities make this condominium the right choice to live in comfort.

Completion of the work scheduled for December 2028.
