This property stands out for its versatile layout, comprising two independent residences with separate entrances, which are internally connected by a door, allowing them to be used either together or independently. This configuration makes the property ideal for a permanent residence, extended family living, or investment purposes.

Both the living room and kitchen provide direct access to a large terrace with swimming pool, creating the perfect setting for outdoor leisure and entertaining.

The exterior areas benefit from the expansive land, which includes a garage, multiple storage areas, fruit trees, and a natural setting that ensures privacy and tranquillity. The property also features a small rooftop terrace, ideal for enjoying the surrounding landscape and the Algarves climate.
