A unique opportunity

If you are looking for a villa that combines quality of life with guaranteed profitability, this is the right choice.

Lagoa is located in the western Algarve, away from the coast, in the fertile lands of Barrocal. The downstream part of the Arade River separates Lagoa from the neighbouring municipality of Portimão. The National Road 125, the most important road axis crossing the Algarve from east to west, passes directly through the city. From exit 7 of the A22 motorway, you can reach the centre of Lagoa in a few minutes.

The coastal region of the municipality of Lagoa has many of the most beautiful beaches in the Barlavento. For the most part, these are small sandy coves nestled against limestone cliffs. Most of these beaches have excellent infrastructure and a wide range of water sports on offer. The rock formations and caves, sculpted by the sea and wind over thousands of years, are well worth a visit. A boat trip to explore this coastal area from the sea is also recommended. It is also an ideal place for walks along the cliffs.

Some of the best-known golf courses in the region are located between Lagoa and Carvoeiro: Gramacho and Pinta, which are part of the Pestana Golf Resort, and the nine-hole Vale de Milho course. Other equally fascinating golf courses are within a 30-minute drive.

An integral part of the leisure options in the Lagoa region is Slide & Splash, one of the most popular water parks in the Algarve, located between Lagoa and Estômbar. The Lagoa region is considered the main and most important wine-growing area in the Algarve. The Adega Cooperativa de Lagoa building, located on the EN125, houses an art gallery, where an interesting Christmas Fair takes place in December.

At the eastern exit of the town of Lagoa is the site of Fatacil, the well-known Lagoa Handicraft, Tourism, Agriculture, Trade and Industry Fair, which takes place annually in the second half of August. In addition to the extensive exhibition, FATACIL also offers a varied programme of music and entertainment.

Lagoa is the wine centre of the Algarve. The Adega Cooperativa de Lagoa building is not particularly attractive, but wine experts will find a visit to the establishment rewarding. On the other hand, be sure to visit Quinta dos Vales in Estômbar, a unique combination of a winery and an art centre set in the heart of the vineyards, which has permanent exhibitions of modern sculpture.
