We present this villa that is unique for three main reasons: its incredible views, its privacy and the size of its plot.

The ground floor has 101 m2 and 32 m2 of covered terrace. So far it has not been used for habitation, but for storage and laundry area.

On the upper floor we have 116 m2 which currently has a large living room divided into two floors but totaling 68 m2, a large independent kitchen, two bedrooms, two bathrooms and access to two balconies.

From this floor we have the stunning views of: the city of Dénia and its castle, the sea (the marinas, the port of Dénia, the bay to the Gulf of Valencia) and the panoramic views of the Montgó, the mountain of Dénia.
