Set in an elevated position in the hills above Loulé, this distinctive villa is set on a generous plot of over 3,000 m² and offers wide-ranging views across the surrounding countryside, the historic town of Loulé and the sea beyond. With a total built area of 370 m², the property stands out for its natural stone construction, artistic detailing and romantic architectural features, combining rustic elegance with a strong sense of individuality.

The interior is arranged to provide well-defined yet flowing living spaces, ideal for both everyday living and entertaining. A large rustic-style kitchen inspired by Italian country homes features handcrafted cabinetry, an open fireplace and direct access to a covered terrace with open views. This connects seamlessly to spacious living and dining areas, complemented by a dedicated games area, creating a warm and welcoming atmosphere throughout.

The private accommodation includes four large en-suite bedrooms, along with an additional versatile room, ideal as a fifth bedroom, studio or home office.

Outside, landscaped terraces, patios and fountains frame a large swimming pool positioned to take full

advantage of the panoramic setting, offering privacy and a strong connection to the surrounding landscape. The property also benefits from a borehole and cisterna, providing a practical and reliable water supply for outdoor use and general maintenance.

With its elevated position, unique character and generous layout, this villa is ideally suited as a permanent residence, a refined countryside retreat or a distinctive investment opportunity in the Central Algarve.
