Informação adicional:

Located in the Chevillard area, west of Verbier, this incredible chalet is a new-build project benefiting from a quiet environment, easy year-round access and a breathtaking panoramic view of the Combins massif. Its south-facing aspect guarantees optimum sunshine all year round.

Built on a 660 m2 plot, the chalet will offer around 450 m2 of living space on several levels. It will feature spacious living areas, four bedrooms with en-suite bathrooms, and a layout designed for comfort and fluidity.

The project stands out for its top-of-the-range features, including an indoor swimming pool, wellness area, indoor garage and customizable finishes. The contemporary architecture blends harmoniously into the Alpine landscape, combining elegance, light and privacy.

Built by renowned local architects, this property offers a rare opportunity to acquire a new, state-of-the-art principal residence in Verbier, in one of the most sought-after resorts in the Swiss Alps.

Please note that this property is only available as a primary residence.

Price on request. Complete file and project presentation available by appointment.
