Cumbre Villas presents this exceptional property for sale in Salobreña, called El Peñón Zorrero, on the edge of the sought-after Monte de los Almendros urbanisation. From its privileged hilltop position, it enjoys breathtaking 360° views of the Mediterranean Sea, the Moorish castle of Salobreña, and the stunning Costa Tropical coastline. The property sits on a spacious, urban plot and comes with a fascinating history. In the 1970s, it was redesigned by a Dutch painter in the romantic style of the Alhambra, with arches and Moorish details that gave it a distinctive charm. In 2023, the villa was affected by a fire, leaving the walls intact but requiring a full renovation or rebuild. The exact plot size is still being investigated by our legal team. The plot allows for landscaped gardens, a swimming pool, and expansion of the built area, albeit subject to municipal approval. Despite its private setting, the property is just minutes from the beach and local amenities, with Motril and Almuñécar less than 10 minutes away and Málaga and Granada under an hour. A rare investment opportunity, this property combines iconic views, history, and outstanding potential in the heart of the Costa Tropical. Contact Cumbre Villas for more information or to arrange a viewing.
