In Nieulle-sur-Seudre, just 20 minutes from Royan and the beaches, discover this 255 m² family home, set on 2,532 m² of wooded land, offering a quiet living environment between countryside and ocean.

The house offers beautiful volumes with several living areas, a living room, a dining room, an independent kitchen, as well as 4 bedrooms, 2 bathrooms, 2 toilets and plenty of storage.

Built on the basement, it has 2 garages of about 40 m², a workshop, a summer kitchen, a cellar and several parking lots, offering a strong potential for development or exploitation.

- Ideal large family, multi-generational project or residence with independent spaces
- Work to be planned to reveal all the potential

Outside, the large wooded lot allows you to fully enjoy a peaceful environment with many possibilities for development.

Anne-Gaëlle's opinion: This property offers real potential for transformation. The volumes and the land allow to imagine a custom-made life project, whether for a large family or a project with independent

spaces. An interesting opportunity for those who can project themselves.
