Informação adicional:

A unique investment property in the center of East Ioannina! This building of 250 sq.m (on a plot of 275 sq.m) consists of two completed apartments (ground floor 105 sq.m & 1st floor 110 sq.m) with independent heating, solar panel, yard, parking, and a 35 sq.m loft. With a southern orientation and the possibility of being divided into 4 apartments for short-term rental/Airbnb, it is a smart choice for investment or permanent residence.

The building is developed on two levels with an internal staircase, and each apartment has 3 bedrooms, a living room, a kitchen, a bathroom, and a WC. Built in 1994 (with a permit from 1985), it is in good condition, featuring tiles, aluminum frames with double glazing, independent oil heating, and a solar water heater. The apartment on the 1st floor has a fireplace, while the 35 sq.m loft functions as storage but can be transformed. The property is corner, front-facing, airy, light-filled, with a yard and parking space. No common expenses!

Area & Neighborhood

The building is located in the center of East Ioannina, in a quiet neighborhood with immediate access to a square, church, supermarket, and a local market. East Ioannina is just a 10-minute drive from the center of Ioannina (approximately 3-4 km) and offers excellent public transportation, schools, playgrounds, and plenty of greenery. The southern slope ensures sun all day long and the area is ideal for families and investors due to the high demand for short-term rentals near the University and the Hospital.
