Discover an exceptional opportunity to acquire a detached house in Agios Georgios Filipias, a quiet location that combines the natural environment of Epirus with proximity to historical monuments and urban centers. This is a bright and airy detached house with a total area of 173 sq.m., built in 2009, which develops over two levels and offers modern amenities, large outdoor spaces, and significant possibilities for expansion or exploitation, ideal both for permanent residence and for investment opportunity in short-term rental (airbnb).

The property has a livable area of 126 sq.m. on the first floor with an open-plan living room-dining room-kitchen that creates a spacious reception area, three comfortable bedrooms for restful sleep, a full bathroom, and an additional WC for the convenience of family and guests. The ground floor space of 47 sq.m. functions as a pilotis with storage, has three independent entrances, and can easily be converted into an autonomous apartment or studio, offering additional income or hosting space. The southern orientation, double energy windows, and thermal insulation ensure plenty of natural light throughout the day, a pleasant temperature in winter, and coolness in summer, while the unobstructed view of the mountain adds aesthetic value to everyday life. The house has individual oil heating with a boiler, a fireplace for warm winter evenings, aluminum frames with screens, a security door, and tiled floors, is in very good condition, and has no communal fees, significantly reducing monthly expenses.

Agios Georgios is a picturesque semi-mountainous settlement in the Municipality of Ziros, built at an altitude of 160 meters on the eastern bank of the Louri River and north of Lake Ziros, just 15 kilometers from Filipias and 53.7 kilometers from Ioannina. The area is characterized by exceptional natural beauty

with plane trees and running water, while it serves as a strategic point as it is located right next to the Roman Aqueduct of Nicopolis, the impressive monument of Roman times, 50 kilometers long, which supplied the ancient city of 150,000 inhabitants with water. The proximity to the archaeological monument attracts tourist interest throughout the year, making the property ideal for tourism exploitation. The beach of Monolithi in Preveza is 45.5 kilometers away for escapes to the Ionian Sea, while the village offers a calm atmosphere of a family neighborhood with tavernas and cafes in the traditional watermills.
