

living room enjoys a lovely feature log burner, adding charm and warmth during cooler months. At the front of the property, a sun-drenched conservatory enclosed by glass enjoys beautiful views over the surrounding campo and pool, making it a perfect sun trap. The property is presented in excellent turnkey condition and comes with a habitation certificate, something many tourist homes in the area do not have, giving peace of mind for full-time or holiday living.

A key highlight of the finca is the separate guest annex, which features a spacious double bedroom with an en-suite bathroom—ideal for visiting family and friends, independent living, or potential rental use. Positioned next to the annex is the garage, which, if no longer required for parking, could be converted into a lounge and kitchen area, transforming the annex into a fully self-contained guest accommodation.

Outside, the property is surrounded by generous private gardens that are completely not overlooked, offering total tranquillity and plenty of space for outdoor living. The neighbouring farmland, where a variety of vegetables are grown throughout the year, enhances the rural charm and provides open countryside views that change with the seasons.

Despite its peaceful cul-de-sac setting, the finca is just a short drive from the amenities of Dolores, with shops, restaurants, and services easily accessible, as well as convenient links to the Costa Blanca coastline and major road networks.

A rare opportunity to acquire a move-in-ready country finca with guest accommodation, log burner, sun-filled conservatory, privacy, mountain views, and a habitation certificate, in a desirable rural location.
