Minimalist touches like micro-cement floors and sleek bathrooms pair beautifully with warm details like a fireplace and wood accents. The kitchen, currently being fitted, is designed to connect indoor and outdoor living seamlessly, with generous storage, quality appliances, and plenty of workspace. A separate laundry area and custom wardrobes in the bedrooms are also being installed.

Upstairs, there are four well-proportioned bedrooms and two spacious bathrooms, ideal for family or guests. The master suite offers lovely views over the countryside and out to the sea.

Outside, the home features a landscaped garden, wood deck around the pool, a spacious driveway with room for covered parking, and plenty of space to entertain or relax in privacy. The views are truly breathtaking.
