Informação adicional:

Fabienne Jardel offers a beautiful, flat, serviced building plot of 2,257 m² located in a peaceful and idyllic setting in the commune of Carsac-Aillac, a vibrant village in the Périgord Noir region.

This village of 1,800 inhabitants is situated on the banks of the Dordogne River, allowing easy access to the beaches. It is only 9 km from Sarlat and its lively atmosphere, and also offers all essential shops (bakery, butcher, grocery store, pharmacy, hairdresser, etc.), a school, a leisure center, a library/media center, a performance hall, a coworking space, restaurants, and three medical centers!

The plot is surveyed and, most importantly, fully serviced – a rarity in this area – which will save you valuable time in your building process. It also benefits from a valid development permit until March 2027. An adjacent, surveyed, non-building plot of 2000 m² is available for purchase separately. Come and see it soon!
