Informação adicional:

Development Plot for Sale | Kaminia Piraeus

An excellent urban development opportunity within the city plan, located in the well-established area of Kaminia, Piraeus.

The plot has a total area of 149 sq.m., is flat, legally compliant, and fully buildable, and includes an existing old residence. With a building coefficient of 2.6, it offers development potential of approximately 390 sq.m., making it ideal for a residential apartment building or a mixed-use project.

Its location is a key advantage. Situated in a lively residential neighborhood, it benefits from immediate access to daily amenities. It is next to a kindergarten, primary school, middle school, and high school, and within walking distance of supermarkets, bakeries, and local retail stores.

Public transportation is easily accessible, with a suburban railway station approximately 400 meters away, as well as nearby bus and tram stops, ensuring strong connectivity to Piraeus, Athens city center, and the wider Attica region.

A rare inner-city plot combining strong buildability, everyday convenience, and strategic positioning.

Ideal for developers and investors seeking a solid and well-located urban project in Piraeus.
