Informação adicional:

This three bedroom apartment is located in Teulada, a traditional Spanish town in the northern Costa Blanca. The property sits on the first floor of a well-maintained building, within easy reach of the town's services, restaurants, and transport connections.

The apartment is situated on the first floor and can be accessed either by a staircase or a lift, making it suitable for all ages and levels of mobility. Entry to the building is from the roadside, where a secure door opens into a shared hallway that leads to the upper floors.

The property has a well-planned layout that maximises both natural light and functionality. The main living space is an open-plan lounge and dining area with a set of double doors that open onto a large balcony, the open-plan design makes the living and dining area a versatile space that connects well with the rest of the apartment.

The kitchen is independent from the main living space. The independent layout also ensures that cooking and preparation areas are kept separate from the lounge and dining area.

The apartment has three bedrooms, one an ensuite and also a family bathroom. The building's lift access and central location within Teulada add further practicality.
