Informação adicional:

Located in Quinta do Perogil, one of Tavira's most established residential areas, this renovated 4-bedroom villa is within walking distance of the town center, shops and restaurants. South-facing and filled with natural light, the property was comprehensively refurbished, including new insulation that significantly improved thermal efficiency and comfort throughout the year. With landscaped gardens, a heated pool and rooftop views stretching from Tavira's historic skyline to the sea and Tavira Island, this is a well-balanced home in a prime location.

The ground floor features a fully equipped Italian Arital kitchen fitted with Miele, Siemens and Liebherr appliances, designed for both daily living and entertaining. The spacious living room benefits from large south-facing windows overlooking the garden, creating a bright and comfortable setting. A guest bathroom and separate laundry room complete this level. Upstairs, four bedrooms include built-in wardrobes, with two opening onto a shared balcony with open views across Tavira. Two modern bathrooms serve this floor. The top level offers a reading area and solarium leading to a private rooftop terrace with panoramic city and coastal views.

The 925 m² plot has been landscaped to maximise outdoor living. A mature carob tree provides natural shade, while the heated swimming pool (10mx5m) and octagonal pergola create a practical space for dining and relaxing. An outdoor kitchen can also easily be added. The property is fully fenced and accessed through an automatic gate, with a private garage for convenience and security. Underfloor heating, air conditioning, 14 photovoltaic panels and two solar panels for hot water further enhance efficiency and year-round comfort.

Within walking distance of Taviras centre and just 35 minutes from Faro International Airport, this villa is ideal as a permanent home, holiday retreat or investment. The area offers golf courses, horse riding, wine estates and access to some of the Algarves finest beaches, while Taviras year-round cultural programme of festivals, markets and live events adds to its appeal. Contact us to arrange a private viewing.

Features and fittings mentioned are subject to agreement and verification between the vendor and the buyer
