Informação adicional:

Set in a truly tranquil location with no close neighbours, this 3-bedroom bungalow offers a rare opportunity to create a beautiful countryside home in a highly desirable natural setting close to the village of Nanteuil-en-Vallee.

The property requires complete interior renovation, making it ideal for buyers looking for a project they can transform to their own taste. With the right vision, this house has the potential to become a charming full-time residence, holiday home, or rural retreat.

What makes this property truly special is its remarkable setting. The house is surrounded by a beautiful natural grounds sloping away, terrace and woodland, offering privacy, nature and absolute peace and quiet ☑ a combination that is increasingly hard to find.

The property also offers exciting possibilities for off-grid living. Two large solar panels and an inverter are already on site, and there is scope to develop a rainwater harvesting system to supply water to the bathroom and toilets, making this an appealing option for buyers seeking a more sustainable lifestyle. However, mains water and electricity are already in place.

Properties in such private and natural surroundings are rare, especially with the potential to create a unique home tailored entirely to your needs. A fantastic opportunity for renovation enthusiasts, nature lovers, or anyone seeking a peaceful retreat with huge potential.
