#### Informação adicional:

Positioned in one of Ungasan's prime property areas, these modern loft apartments offer a unique blend of contemporary design and strong investment potential. Designed across two levels in a stylish loft concept, each unit delivers a spacious and dynamic living experience rarely found in standard apartments. The development provides essential amenities including parking area, 24/7 security, and high-speed internet, ensuring both comfort and peace of mind for residents and guests.

Two distinctive unit types are available to suit different lifestyle preferences. The first-floor unit (101 sqm) features beautiful ocean views, creating a premium visual experience that significantly enhances rental appeal and daily living ambiance. The ground-floor unit (120 sqm) offers a private jacuzzi and balcony, delivering a more intimate and relaxing atmosphere ideal for long stays or romantic getaways. Each loft includes one bedroom with an ensuite bathroom, a fully equipped kitchen, and a well-arranged living and dining area. Fully furnished and thoughtfully designed, both units combine functionality with a modern tropical aesthetic.

Located in Ungasan, a rapidly growing and highly desirable area in South Bali, these loft apartments are well-positioned for both personal residence and property business opportunities. The stylish two-level layout, combined with prime location advantages, makes them attractive to digital nomads, couples, and long-term tenants. Whether chosen for private living or as an income-generating asset, these loft units represent a smart and flexible investment option in Bali's evolving property market.
