Informação adicional:

Are you looking for an efficient, modern home with the best materials in the heart of the nature of the Mena Valley? This is your chance.

Villasuso House is an exclusive development of 5 new build single-family homes designed under the Passive House standard, the maximum guarantee in energy efficiency and thermal comfort. Forget about high bills and enjoy a warm house in winter and cool in summer with minimal consumption.

Construction has just begun, with an expected duration of 12 months, which means that you will be able to be in your new home throughout the spring of 2027. A unique opportunity to acquire your home from the start of the construction and choose with total peace of mind.

Each home has 54 m² of useful space distributed on a comfortable ground floor with a living-dining room-kitchen of 25 m², two large bedrooms and a full bathroom. All this in a modern design with top quality finishes.

What does your new home include?

Heating by high-efficiency athermal energy
PVC windows with double glazing Climalit
1st quality ceramic stoneware floors
Roca sanitaryware and single-lever taps
Lacquered wood doors and 60mm insulated partitions
Kitchen and bathrooms tiled with 1st quality tile
4-slope roof with Tegola tile
Private pitch with natural grass
Terrestrial antenna and TV and telephone sockets

A unique development in the Mena Valley, surrounded by nature, a few kilometres from Bilbao and with all services nearby.
