Contemporary Mediterranean Living on the Costa Blanca This amazing detached new build villa in Javea combines high quality finishes, elegant design and optimal functionality across three spacious levels. Located in one of the most desirable coastal towns in the Costa Blanca North, the property offers a peaceful residential environment surrounded by green mountains, natural parks and beautiful beaches. Javea is renowned for its crystal clear waters, traditional gastronomy and Mediterranean lifestyle, making it a perfect location for both permanent living and investment. Spacious Basement Designed for Versatility The basement level is thoughtfully designed to meet modern lifestyle needs. It includes an open garage for two cars, a bathroom, a guest toilet, an open concept room, a multipurpose room and a patio that brings natural light into the space. This floor provides endless possibilities, whether you envision a gym, entertainment room, office or guest suite. Elegant Ground floor with Connected Living Spaces The ground-floor features a bright living dining-room that integrates seamlessly with the fully equipped kitchen, creating a perfect area for family gatherings. An entrance hall, guest toilet and hallways add practicality and flow. This level includes two comfortable bedrooms sharing a modern bathroom and a generous master bedroom with an en-suite bathroom, offering privacy and comfort. Luxurious Upper floor Master Suite The upper floor is dedicated to a second master bedroom, providing an exclusive retreat with its own en-suite bathroom, dressing room and hallway. This private space ensures comfort

and tranquillity with beautiful views of the surrounding green landscapes. Outdoor Living Designed for the Mediterranean Climate The exterior areas of the property are created for enjoying outdoor living all year round. It features two covered terraces and two uncovered terraces on the ground-floor. One of the covered terraces surrounds the swimming pool, perfect for summer relaxation, while the uncovered terrace next to the kitchen is ideal for outdoor dining and gatherings. Equipped with underfloor heating and ducted air-conditioning, the villa guarantees comfort in every season.
