The Residence

The villa offers five bedrooms and five bathrooms, thoughtfully distributed across generous interior spaces designed for both privacy and comfort.

With a built area of 1,266 m² on a plot of 2,254 m², the property enjoys a privileged south-facing orientation, ensuring natural light throughout the day and seamless integration between indoor and outdoor living.

Living Spaces

The villa features expansive open-plan interiors where living, dining, and kitchen areas flow seamlessly into one another. Floor-to-ceiling sliding glass doors flood the interiors with natural light while providing direct access to the outdoor terraces.

The main living area is anchored by a bespoke designer kitchen with a statement marble island and high-

end integrated appliances, creating a perfect balance between functionality and contemporary design.

Outdoor Living

The exterior spaces are designed for both relaxation and entertaining. A spectacular full-size infinity pool forms the centerpiece, surrounded by generous sun terraces and elegant lounging areas.

A covered outdoor dining space and fully equipped kitchen allow for effortless indoor-outdoor living throughout the year, enhanced by the villa's south-facing orientation and panoramic views.

Wellness & Lifestyle

A dedicated lower level is designed as a private wellness retreat, offering a complete lifestyle experience within the home. This level includes a spa area with sauna, steam room, and jacuzzi, as well as a fully equipped gym with natural light.

Additionally, a spacious multi-purpose area can be used as a cinema room, entertainment lounge, or games area.
