Informação adicional:

Independent Commercial Building for Sale in Moschato, Athens

This is not just an industrial space.

It is a fully independent commercial building, ready to operate, in one of the most strategic locations of Moschato.

The property offers a total built area of 500 sq.m., developed over two levels, with 250 sq.m. on the ground floor and 250 sq.m. on the first floor, set on a 500 sq.m. plot.

The layout is practical and flexible, including a kitchen and two WC facilities, while the building has been renovated, providing a ready-to-use solution without the need for additional investment.

It is equipped with autonomous electric heating, full air conditioning, three-phase power supply, a security door, and an Energy Class D rating — covering the operational needs of modern businesses.

Externally, the property benefits from open surrounding space with parking positions, direct access from an asphalt road, and a façade that enhances both visibility and functionality. Fire hose systems are also installed, an essential feature for professional and industrial use.

The location is a key advantage. Situated within an industrial zone in Moschato, with immediate access to

Piraeus Avenue and very close to a train station, it ensures excellent connectivity for logistics, staff, and daily operations.

A property that combines scale, independence, infrastructure, and strategic positioning — ideal for businesses seeking efficiency, accessibility, and long-term operational value.
