MATULJI, RUKAVAC - Detached house with a beautiful garden and sea view

Just 6 km from Opatija and the sea, in a peaceful environment full of greenery, birds and sun, this exceptional detached house of 318 m² with a sea view is located. The house extends on a plot of approximately 1800 m² and is arranged over three floors: Ground floor: two-bedroom apartment in the unfinished phase and a large tavern with its own bathroom. First floor: furnished apartment consisting of a spacious living room with kitchen and dining room, two bedrooms, bathroom and large balcony. Second floor (high attic): apartment with the same layout as on the first floor, completely completed in a "turnkey" system. The location offers complete privacy, peace and quiet, with the constant presence of sunlight, and what sets this property apart is the beautiful and carefully landscaped garden. The owners have been awarded three times for the most beautiful garden for their garden and garden design, which confirms the attention and love for every detail. Heating is possible with wood or electricity, and the entire property has been maintained with special care. The house is located in a quieter part of Rukavac, ideal for rest and relaxation, but at the same time it is only an 8-10 minute drive from all essential amenities - shops, schools, kindergartens and clinics. Ideal for a large family, a multi-member household or as an investment for tourism.
