KOSTRENA, a luxuriously decorated apartment with a garden and a beautiful view of the sea Kostrena is an old popular seaside resort, first mentioned at the beginning of the 15th century. It gained its first municipal independence in 1874, but kept it for a very short time, only two years. It is divided into two parts, St. Lucia and St. Barbara, according to the names of the two churches that exist in its territory. It is located in the immediate vicinity of the city of Rijeka, framed by the bay of Martinšćica and the Bay of Bakar. Our Kostren peninsula is about 10 kilometers long and slopes gently towards the sea coast. Beautiful beaches are located along its entire length, which are visited by thousands of bathers during the summer. The most famous and most visited are those in Žurkovo bay, then Smokvinovo, Svežanj, Spužvina, Podražica, Nova voda and Perilo. Kostrena consists of about twenty settlements, many of which were named after families, and today the most inhabitants are Vrh Martinšćica, Glavani, Sv. Lucija, Rožmanići and Paveki. The characteristic karst area with Mediterranean plants and the famous Kostren thunderbolts, and the mild climate that sometimes succumbs to strong storms, are the characteristics of our region. We are selling this beautiful apartment with a garden, terraces and a beautiful view of the sea. The superbly decorated 3-bedroom apartment consists of an entrance hall, a kitchen with a dining room and a living room, and a guest toilet. From the living room there is access to a beautiful garden with a covered and detached terrace that belongs to the apartment. The sleeping area is separated from the living area by the next corridor, where there are three rooms, a dressing room and a bathroom. It has a storage room and two parking spaces. The property is ideal for family life. Dear
