Informação adicional:

Ždrelac is the largest place on the island of Pašman and is located right next to the bridge that connects the island of Pašman with the island of Ugljan. It is adorned with beautiful beaches and greenery. Ždrelac offers long walks, many opportunities for running and cycling, various activities at sea, and gastronomic enjoyment of organically grown food.

In this beautiful island town for sale is a building plot of 712 m². It is about 450 meters from the sea and the center.

This land is located in an uninhabited part of Ždrelac, surrounded by pine forests and other Mediterranean vegetation and family houses. All available infrastructure is in the immediate vicinity.

The width of the land along the road is 32 m, and its length, depending on the shape, ranges from 15 to 25 meters, which opens up numerous possibilities for designing and planning a future residential building.
