We are selling a three-room apartment with an area of 53 m², located on the ground floor of a residential building with 6 units.

The apartment consists of a spacious living room with a kitchen and access to a covered balcony, two bedrooms, a modern bathroom and a hallway.

The apartment comes with one parking space in the arranged parking lot, which is located directly next to the access road.

The bathroom will be equipped with a shower, a toilet bowl with a flush, a hot water boiler, a sink and a connection for a washing machine.

The rest of the apartment will be unfurnished, but with all connections ready for smooth connection of equipment.

The walls in the apartment will be white.

The air conditioning system will be installed in the apartment and will consist of an outdoor unit and three indoor units, one for the living room and both bedrooms with a separate drive.

The apartment will have a TV connection and an intercom, as well as its own electricity and water connection with its own measuring device.
