With direct road access to the countryside property and extensive grounds, you enter the main cortijo into a good size storage room then a sitting room with an open fireplace. A doorway takes you out into a patio area off which is a lounge with a formal dining space. Also off the patio is a kitchen area, a pantry / Storage room and a ground floor double bedroom. Steps from the kitchen area take you to the first floor landing where you have on the right a storage room and a bedroom. To the left off the landing a small passageway leads to a spacious double bedroom. Back in the ground floor patio a doorway leads to another kitchen and a further door takes you into a fully tiled bathroom. To the rear and side of the Cortijo you have a large outbuilding with a spacious garage as well as a big storage room with a wood store. The Cortijo has town water and electricity connected and you also have a natural stream running through your extensive grounds.
