#### Informação adicional:

Productive land with olive trees, within a total plot of 14,926m<sup>2</sup> and this fairly recent-build cortijo, that enjoys 360 degree views and yet is within walking distance to Alcaudete town in the Jaen province of Andalucia, Spain.. Part of the property with the house and two automatic double gate entrances is completely fenced in, ideal for dogs, to put in a pool or to erect wooden cabins in this quite level area. The castle of Alcaudete is visible to one side and the Subbetica mountains on the other. This would make an ideal location for walkers, hikers, cyclists and nature lovers, with the Camino Mozarabe nearby. Enter the main gate with lamp posts lighting the way to the double patio doors of the house. Enter into one large open plan, air conditioned room with a lounge area and a fireplace, a dining area with olive grove views and the kitchen. You also have access to the two air conditioned double bedrooms and a bathroom. Under the property with the other drive-in access is an entry room with a toilet and sink and a huge garage, these together would make a spacious, separate apartment or more living and entertainment rooms. Most of the olive trees are outside the fenced area and border on the lane, the property benefits from having a well and an automated system to irrigate the olive trees. A beautiful countryside property yet close to town, waiting for new owners to enjoy it.
